United Kingdom

**e-mail:**

hugh.gillies@transportscotland.gsi.gov.uk

**Presentation title:**

MULTI AGENCY RESPONSE TEAM (MART) APPROACH TO SEVERE WINTER EVENTS

**Other Authors**

Lees,

**Summary:**

Scotland's worst gridlock in living memory occurred on the Monday 6th December 2010 as heavy snow fell during what was already a prolonged and extremely cold period. Hundreds of people were trapped in their vehicles for extended periods and part of the M8, the country's busiest road, was closed for over 48 hours.
